

SRIKAKOLAPU GANGA LAKSHMI

Phone: 7780179755 Email: gangasrikakolapu29@gmail.com, East Godavari, AP, India

OBJECTIVE

Motivated B.Tech Information Technology student with strong foundations in programming, full-stack development, and problem-solving skills. Passionate about developing scalable and user-friendly applications using modern technologies. Seeking internship opportunities to apply technical expertise, contribute to innovative projects, and gain hands-on industry experience.

EDUCATION

Sir C.R. Reddy College of Engineering, Eluru, AP, India

B.Tech in Information Technology | Expected 2027

CGPA: 7.94

Sri Chaitanya Junior College, AP, India

Intermediate (MPC) | 2021 – 2023

Percentage: 94.5%

Sri Shirdi Sai Vidya Niketan , AP, India

SSC PERCENTAGE -100% | 2021

TECHNICAL SKILLS

Programming Languages: Python, C

Web Technologies: HTML, CSS

Databases: SQLite, MongoDB

Tools & Platforms: VS Code, Jupyter Notebook, Git, GitHub, Google Collab

Core Competencies: Problem Solving, Analytical Thinking, Team Collaboration, Communication Skills

Languages Known: Telugu (Native), English (Professional), Hindi (Basic)

PROJECTS

MEDICONNECT – AI-Based Hospital Queue Management System

- Developed a smart hospital queue management prototype using AI-driven development tools to simplify patient appointment handling and reduce waiting time.
- Implemented features such as token booking, live queue tracking, and automated consultation notifications.
- Built the mobile application interface using Flutter and managed backend APIs with Express.js.
- Utilized Firebase Firestore for real-time database management and Firebase authentication for secure login access.
- Integrated Firebase Cloud Messaging for automated alerts and real-time updates to users.

Lawnify – Legal Case Management System

- Developed a Legal Case Management System designed to simplify and organize lawyer case handling processes.
- Implemented modules for managing client information, case details, hearing schedules, legal documents, and case status tracking through a centralized platform.
- Improved workflow efficiency by reducing manual paperwork and enabling quick access to case records.
- Enhanced legal data management, coordination, and document organization using digital solutions.
- Focused on creating a structured and user-friendly system for efficient legal operations management.

WORKSHOPS

AI Tools Workshop

Attended a hands-on workshop focused on Artificial Intelligence tools, automation, and modern AI applications

ACHIEVEMENTS & ACTIVITIES

- Participated in Smart India Hackathon and contributed to idea development and technical discussions.
 - Participated in coding competitions, technical events, and hackathons conducted at the college level.
 - Demonstrated teamwork, analytical thinking, and problem-solving skills through collaborative projects.
-
